

## NEWS FROM SPCA SELANGOR

14<sup>th</sup> December 2005

### **FIND YOUR FRIEND FOR LIFE AT THE BANGSAR SHOPPING CENTRE ADOPTION FEST!!**

Make this a Merry Christmas for a shelter pet by adopting one from the adoption fest at Bangsar Shopping Centre. The Adoption Fest will be held on **Saturday, 17<sup>th</sup> of December 2005** at the **Fountain Area** (in front of La Bodega) from **11 am to 6 pm** where about ten cats and dogs will be up for adoption.

This event marks the start for SPCA's Adoption Fest 2006 in hope to find a home for every homeless pet. Rather than just waiting for adopters to come to the shelter in Ampang Jaya, they believe that by bringing these pets to the community more of them will be able to find new loving homes.

If you are looking to add a furry friend to your family, come by to the Adoption Fest at Bangsar Shopping Centre. The event will be launched by lead singer of **Motown Extravaganza, Donne Ray Radford**, who performed at the charity dinner organised by Lejadi Group of Companies. Adopters can also get their picture taken with the singer!

Adoption fee starts from RM 200 for dogs and RM 70 for cats (including first vaccination, deworming and neutering). For more information, please call the SPCA Selangor office at 03-4256 5312, 03-4253 5179.

- The Society for the Prevention of Cruelty to Animals (SPCA) Selangor is an NGO which serves Selangor and the Federal Territory.
- SPCA Selangor was established in 1958 with the aim of protecting animals and birds and alleviating suffering.
- The SPCA is an NGO and therefore receives no government funding, relying entirely on donations from the public and local businesses to pay for its work.
- The SPCA's Animal Home at Ampang Jaya rehomes unwanted animals and has kennel space for 200 dogs and 150 cats. Animals are brought to the home by their owners who no longer want them, by our inspector rescuing animals from cruelty, or by concerned members of the public who rescue animals from their community.
- The SPCA would like to work in partnership with the people of Malaysia to ensure that they take responsibility to neuter their pets, give them adequate food, space, exercise, care and medical attention, and to be considerate neighbours.
