SPCA PROJECTS SPONSORSHIP

- **Stray Free Selangor (SFS)** – An ethical alternative to the current catch-and-kill method that is practised by Malaysian Municipal Councils to reduce the number of stray animals. Tagged as the ‘humane and compassionate way’ to manage the population of cats and dogs on the streets, SFS aims to home each animal that arrives at its door.
- **Potong Royong** – A large-scale on-ground project that implements spay and neutering of stray animals. The aim is to reduce the number of stray animals, enhance public health and safety as well as foster responsibility among pet owners. As of October 2023, 1,349 animals have been spayed or neutered across locations such as Rawang, Hulu Langat and Klang.

- **Mission Help** – Collaborative projects for shelters and rescuers. Our goal for the year is to support fellow shelters with essential services like mass check-ups, vaccinations, and spaying/neutering. This demonstrates our steadfast commitment to the well-being of our furry friends.
- **Annual Kennel/Cattery Sponsorship** – Every year, SPCA Selangor relies on your commitment to help thousands of dogs and cats. Your Annual Kennel / Cattery Sponsorship ensures dogs and cats that they will be fed, vaccinated, medicated, neutered and rehabilitated. The names of sponsors will be displayed for the Annual Kennel / Cattery Sponsorship
- **Stray Medical Urgent Relief Fund (SMURF)** – Provide resources to help out strays for urgent vet treatment, spay and neutering, and rehoming.
- **Disaster Relief Fund for Animals** – In the face of disasters, the SPCA Selangor activates its Disaster Relief Fund, channelling resources to rescue, feed, and offer medical care to affected cats and dogs. Our immediate assistance extends to dedicated partners risking everything for the safety and well-being of animals in disaster zones.

MONTHLY DONATION

A little goes a long way!

By committing a small amount each month, you create a steady and reliable source of support that empowers us to plan for the future, rescue more animals, and provide ongoing care.

For example, RM30 per month can provide nutritious meals for three dogs for three days.

Your consistent contribution, no matter the size, has a lasting impact on the lives of animals in need. Join us on this journey to make a difference every month – because compassion knows no limits.

*All donations are tax-exempt
